

Roy Orbison - My Prayer

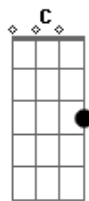

Tom: C

My prayer is a rapture in blue
 With the world far away and your lips close to mine
 Tonight while our hearts are aglow
 Oh tell me the words that I'm longing to know
 My prayer and the answer you give
 May they still be the same for as long as we live
 That you'll always be there at the end of my prayer

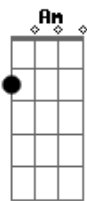

When the twilight is gone and no songbirds are singing
 When the twilight is gone you come into my heart
 And here in my heart you will stay while I pray
 My prayer is to linger with you
 At the end of the day in a dream that's divine
