

# Roy Orbison - My Prayer

Tom: C

My prayer is a rapture in blue  
 With the world far away and your lips close to mine  
 Tonight while our hearts are aglow  
 Oh tell me the words that I'm longing to know  
 My prayer and the answer you give  
 May they still be the same for as long as we live  
 That you'll always be there at the end of my prayer

When the twilight is gone and no songbirds are singing  
 When the twilight is gone you come into my heart  
 And here in my heart you will stay while I pray  
 My prayer is to linger with you  
 At the end of the day in a dream that's divine
