 Intro: C D G

 G
 Well, you should be an actress
 You play your part so well ^{Am}
 Your act is so believable
 That no one else can tell
 You say the lines but I see
 That you don't really love me
 You keep me around to be your faithful clown
 Till someone you can love comes along ^{Bm}
 And you'll keep on pretending
 Because the show must go on

Yes, you should be an actress
 As lovely as you are
 The way you play on emotions
 You'd shame the brightest star

You're acting all the time
 No, you're not really mine
 I'm just another scene in your 'play acting' scheme
 No, you don't love me at all
 But when you walk away
 That's when the curtain will fall

But I'll go all the way to the end of the play ^{Bm Gbm C}
 I'll be a part of your masquerade ^{D G G}
 Although I know it may be the saddest show ^{C D G Bm}
 In the life of a fool on parade ^{C D G}
