

Roy Orbison - Twenty Two Days

Tom: F

Oh it's been ^{Bb} twenty-two ^F lonely blue
^C Days without a word from y-o-o-ou
^{Bb} And forty-four ^F million more
^C Tears I've cried since you walked through that door ^F

^F The sun never ^{Bb} reaches my ^F doorstep

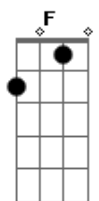

^C Each empty day ^{C7} seems to be the same
^{Bb} You've broken your vow but I ^{Gm} still love you now, ^F
^C Oh this love of mine is a ^{C7} one way ^F losing game

Chorus

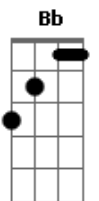

The dreams that we share are gone forever
 But I still have a little hope in my heart
 Is this the way it ends? Are we to be both friends?
 Oh I can't go on if we're to be apart
