

## Roy Orbison - You Got it

```
Everytime I hold you I begin to understand G D E G
Intro: A G D A G D
                               A G D
                                                                Everything about you tells me I'm your man
                    G
                          D
Everytime I look into your lovely eyes
                                                                A Gbm Dbm E
I live my life to be with you
A Gbm Dbm E
               G D E G
I see a love that money just can't buy
A Gbm Dbm E A Gbm Dbm E
One look from you I drift away I pray that you are here to
                                                               No one can do the things you do
                                                                REFRÃO
stay.
REFRÃO:
                                                                      Gbm Dbm E A Gbm
                                                                I'm glad to give my love to you I know you feel the way I do
A Db7 Gbm D
Anything you want you got it A \frac{Db7}{CDm} \frac{CDm}{D}
                                                                REFRÃ0
Anything you need you got it
                                                                Final:
A Db7 Gbm D E E7
Anything at all you got it baby
                                                                You got it
```

## **Acordes**
