

Roy Orbison - You May Feel Me Crying

Tom: F

F
When we make love you know we're making love
Am C
To everyone we've ever made love to
F
So when you take him down inside
Bb Am C
Just know I'm there with you

Chorus:
Dm C F
And you may feel me crying
Dm C
And oh, I hope you do
Gm Dm C
I'm out there somewhere all alone with memories of you
Dm C F
And you may feel me crying
Dm C
While you're reaching for more
Bb Am Gm C

I just hope someday I see you standing at my door
F
It's something I live for

They'll fill you up, I know, with shining dreams
It'll touch your heart, because you thrill them so
But there's a place they'll never touch
Just you and I can know

Chorus

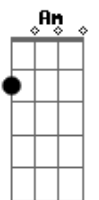

Bb Am C
There are stronger men than me
Bb Am C
And they'll take you on a mountain
And give you all you see
Bb
C Bb
And you'll do what they desire
Gm C
You were born to see how long your hand can stand the fire
