

Royal Blood - Blood Hands

Tom: Eb
Intro: Bb

Verse
Bb (through entire verse)
Took a lonely feeling
Just to let the meaning
Sink like the sun goes down
Never close to heaven
Felt my feet were burning from the same red hot ground

Gb
There's blood on my hands,
Eb
There's blood on my hands
Bb
Yeah, there's blood

Bb
It's getting hard to listen
When the clock is ticking
Counting down the days gone by
Praying for an answer to another question
That will only leave you dry

Gb
You won't understand
Eb
With your head in the sand
Bb
No, you won't

Chorus
But I'll kiss the ground where you kneel
Till I grow my hair to my heels
Spike your water your wine
While you waste my precious time

Verse
Bb
Every time I drink and try to stop my thinking
Bout the things I've said and done

Stop the world from turning faster
Then I'm learning not to just hide and run

Gb
You won't understand
Eb
With your head in the sand
Bb
No, you won't

Bb
Love came and went faster than a penny spent in a slot machine
Bb F Db Ab
Nowhere near the devil, just somewhere in between you and me
Gb Eb
Sworn to see me

Chorus
But I'll kiss the ground where you kneel
Till I grow my hair to my heels
Spike your water your wine

Gb
Yeah, there's blood on my hands,
Eb
There's blood on my hands
Gb
There's blood on my hands,
Eb
There's blood on my hands
Bb
Yeah, there's blood

Instrumental:
Ab (really short) Bb (4x)
F (really short) Gb (2x)
Ab (really short) Bb (2x)

Outro
Bb
Took a lonely feeling
Just to let the meaning
Sink like the sun goes down
Never close to heaven
Felt my feet were burning from the same red hot ground
