If you, if you could return
Don't let it burn
Don't let it fade
                       Cadd9
I'm sure I'm not being rude
But it's just your attitude
It's tearing me apart
It's ruining every day
I swore, I swore I would be true
And honey so did you
So why were you holding her hand?
Is that the way we stand?
Were you lying all the time?
Was it just a game to you?
But I'm in so deep
You know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger?
```

Do you have to, do you have to, do you have to let it linger? Oh, I thought the world of you Cadd9 I thought nothing could go wrong But I was wrong, I was wrong D If you, if you could get by Trying not to lie Things wouldn't be so confused And I wouldn't feel so used But you always really knew I just want to be with you And I'm in so deep You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger? Do you have to, do you have to, do you have to let it linger? You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger? Do you have to, do you have to, do you have to let it linger? [Final] D D A A7 E Cadd9 C G
