Intro: Dm  F  G

Dm   F                G
      You?re a roundhouse kick to my heart

( Dm  F  G )
( Dm  F  G )
[Primeira Parte]

             Dm       F     G
You always get centre-fold
                       Dm        F   G
Even though your story?s getting old
               Bb         F           C       G
Dm  F  G
People say that I?m wasting my time ?cause you ain?t no good
to me
             Dm        F      G
Well I guess we had a good old time
                Dm         F      G
But somebody?s gotta draw the line
             Bb         F          C     G        Dm
F  G
Said admittedly letting you go ?cause you ain?t no good to me
[Refrão]

Bb                 G  Dm
Stuck in the middle

Starting to understand
Bb          G  Dm
Little by little

This is getting out of hand
Bb          G  Dm                    A7
Kung-fu loving is gonna tear us apart
                          Dm    F  G
You?re a roundhouse kick to my heart
      Dm   F  G
To my heart

[Segunda Parte]

             Dm       F     G
You always play centre stage
                 Dm        F      G
And you leave it in a fit of rage
              Bb         F          C       G
Dm  F  G
Now I know that I gotta get gone ?cause you ain?t no good to
