

# Royal Republic - Tommy Gun

Tom: B

I guilty stand before you

I know I misbehaved

I never meant to hurt you

I humbly beg forgiveness

Hope that my soul be saved

And if I had a final wish pretty Miss I would only ask this:

I want you to do me with a tommy-gun baby

With a tommy-gun baby do me, GUN-TOMMY

If you have to kill me use a tommy-gun baby

Use a tommy-gun baby do me, GUN-TOMMY

There ain't no use appealing

Your justice will prevail

This time I must be punished

No lawyer no attourney

No chance of breaking bail

So won't you grant this final wish pretty Miss?  
 Won't you save a last kiss?

I want you to do me with a tommy-gun baby

With a tommy-gun baby do me, GUN-TOMMY

If you have to kill me use a tommy-gun baby

Use a tommy-gun baby do me, GUN-TOMMY

I want you to do me with a tommy-gun baby

If you have to kill me use a tommy-gun baby

Gun-tommy

Aaaah shoot me

(Solo)

I guilty stand before you

I know I misbehaved

I never meant to hurt you

I humbly beg forgiveness

Hope that my soul be saved

And if I had a final wish

I would only ask this

I want you to do me with a tommy-gun baby

With a tommy-gun baby do me, GUN-TOMMY

If you have to kill me use a tommy-gun baby

Use a tommy-gun baby do me, GUN-TOMMY

I want you to do me with a tommy-gun baby

If you have to kill me use a tommy-gun baby

GUN-TOMMY!
