

Ruam Duanny - Vou Te Encontrar

tom:

Intro: **Dm** **G** **Dm** **G**

C

Vem o sol, e vem a chuva a noite traz a lua

Só você não vem, a fechadura tem a chave

Quem ama tem felicidade

Só eu que não tenho ninguém

Eu vou te encontrar em algum lugar na rua

No ônibus, num bar

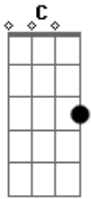

Debaixo de um guarda-chuva (bis)

E vai ser você a pura razão do meu sorriso

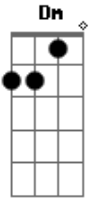

A louca paixão que eu preciso

E nunca mais ficar na solidão
