Tu sempre engole seu apreço

E desiste de gostar

Por sentir o menosprezo

Já reparei que cê esconde

Um raivoso animal

Nesse olhar de desespero

Te ouvindo reclamar todo dia aos prantos:

Meu bem, há tanta coisa sobre mim

De fora pra dentro que meus ombros não aguentam

Há tanta coisa sobre mim de dentro

Pra fora que uma hora eu vou explodir

E uma hora eu vou explodir

Sei que reside em cada abraço

E por confiar demais, morre um pouco
F7 E7
E não esquece

Am D Am
Vai, fecha o coração doente
D C
Mas no fundo só quer mais
G F7 E7 Eb7
Que o mundo desacelere

Am Am Am Am F F Bm7 E7
E vira e mexe na hipocrisia
Am Am Am Am F F Bm7 E7 Eb7
Acha que só estanca a sangria

Dm Am Dm
Na hora de misturar a água do chuveiro com as lágrimas de dor

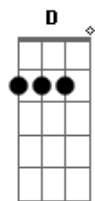

Tá berrando que não pediu pra ser o primeiro

Implorando por ajuda pois está com medo

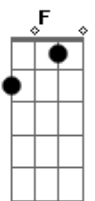

Diz uma hora eu vou explodir

E uma hora eu vou explodir
