

## **Rudderless - Real Friends**

```
Intro: G D Em (2x)
You're my sidekick
You're my alibi
You're my right hand man
I'm your homeboy
I'm your main dude
I'm your best laid plan
When the shit hits the fan
 G D Em
Can I make you understand
      D
I don't know
Would you still be my friend if I made out with your mother
                    D
                                 Fm
Would you still be my friend if I beat up your brother
Cause I'd still be friends with you
Cause that's what real friends do
G D Em (2x)
You're my defense
You're my samurai
You're the man
```
