

# Rudderless - Sing Along

Tom: C

E Am E Am  
 Stuck in your confines, chewing it over.  
E Am G F  
 Caught in your headlights, stop staring  
E Am E Am  
 Don't know what's on my mind, what am I thinking.  
E Am G F  
 Whatever I say is a lie, so stop staring  
F  
 Tread Carefully,  
  
C Am  
Em  
 Take a breath and count the stars, let the world go round  
 without you.  
  
F  
 If you're somewhere you can hear this song, sing along,  
C Am Em  
 Close your eyes and count to ten, maybe loves the only answer  
F C  
 I will find a way to sing your song, so sing along.  
  
E Am E Am  
 Help me understand, the silence.  
E Am G F

We make the best we can, of everything.  
E Am E Am  
 Nothing is what it was turning the light on  
E Am G F  
 honesty changes us completely, tread carefully.  
  
C Am Em  
 Take a breath and count the stars, let the world go round  
 without you.  
  
F  
 If you're somewhere you can hear my song, sing along,  
C Am Em  
 Close your eyes and count to ten, maybe loves the only answer  
F  
 I will find a way to sing your song, so sing along.  
C Am Em  
 What is lost cant be replaced, what is gone is not forgotten.  
F C Am  
 I wish you were here to sing along, my son.  
  
Em F  
 My Son,  
C Am  
 My Son,  
Em F C  
 My Son.
