

# Rudderless - Stay With You

Tom: G  
Intro: G C Em C G

G  
Let there be music and let there be thrills  
C  
You don't like the silence and you never will  
Em C  
So jump on the ride you can feel it inside  
G  
Won't you come with us  
G  
Come all ye faithful don't suffer the fools  
C  
We'll sound all the sirens and bend all the rules  
Em C  
The stars have aligned leave your troubles behind you  
G  
And come with us  
G Em C  
We will play all night  
G D  
And pray the darkness don't give way to the light  
Em C  
I wish I may I wish I might  
G  
Stay with you  
G  
Lift up your voices and lend us your ears  
C  
You know who your friends are and everyone's here  
Em C G  
Why be alone don't pretend that you don't want to come with us

G Em C  
We will play all night  
G D  
And pray the darkness don't give way to the light  
Em C  
I wish I may I wish I might  
G  
Stay with you  
D C G  
Come with me I'm yours for the taking  
(one strum)  
D C D  
Like you scream the faster we go  
C G C G D  
Don't try to wake me just hold on and never let go  
(strum once)  
Em C  
We will play all night  
G D  
And pray the darkness don't give way to the light  
Em C  
I wish I may I wish I might  
(normal strumming)  
G  
Stay with you  
Em C  
We will shine so bright  
G D  
Raise your glasses and drink one to the night  
Em C G  
If it's okay I just might stay with you  
Em C G  
If it's okay I just might stay with you
