

# Rudimental - Let Me Live

Tom: C

apotraste na 1ª casa

Intro: Am G D  
Am G D

As I walk through the water, so many things I see (uh-huh)  
And then I say to myself "It's never right to sing"

'Cause I am the one, I rule my world  
Nobody rule my destiny  
'Cause you are the one, you rule your world  
No bad man own your destiny

Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me-

( Am G D )  
( Am G D )

Are we losin' controlla, or is it meant to be (uh-huh?)

Now I've open my mind now  
Come on, set me free  
'Cause I am the one, I rule my world  
Nobody rules my destiny  
'Cause you are the one, you rule your world  
No bad man own your destiny

Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up

Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me-

Why won't you leave me alone?  
Yeah, yeah

I will do anything with my life  
I could sip and hit my life  
Haven't me when I get my life  
I believe and get my life  
I'm not saying it's alright  
'Cause we got some work tonight  
Everyday, every night  
Everyday feel the love yeah  
And try everyday, and try every night (enjoy your life)  
And try everyday, and try every night (ooh, ooh)  
And try everyday, and try every night (Enjoy your life)  
And try everyday

( Am G D )

Why don't you live your life, yeah?  
And I will go live mine?  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, And try everyday, and try every night (enjoy your life)  
And try everyday, and try every night (ooh, ooh)  
And try everyday, and try every night (enjoy your life)  
And try everyday
