

Rudimental - These Days

Tom: C

F C G
I know you moved onto someone new
Am F
Hope life is beautiful
C
You were the life of me to find my truth
G C
I just wanna say, thank you

F C
Leaving to find my soul
G Am
Told her I had to go
F C
And I know it ain't pretty
G C
When two hearts get broke
F C
Too young to feel this old
G Am
Watching us both turn cold
F C
And I know it ain't pretty
G C
When two hearts get broke
F C
Yeah, I know it ain't pretty
G C
When two hearts get broke

F C
I hope someday
G Am
We'll sit down together
F C
And laugh with each other
G C
About these days, these days
F C
All our troubles
G Am
We'll lay to rest
F C
And we'll wish we could come back to
G C
These days, These days
(F C G Am F C)

G C
These days, these days
(F C G Am F C)

G C
These days, these days

F C
Three years of ups and downs
G Am
Nothing to show for it now
F C G C
And I know it ain't pretty when the fire burns out
F C
Calling me when I'm drunk
G Am
Reminding me of what I've done
F C G C
And I know it ain't pretty when you're trying to move on

F C
I hope someday
G Am
We'll sit down together
F C
And laugh with each other
G C
About these days, these days

F C
All our troubles
G Am
We'll lay to rest
F C
And we'll wish we could come back to
G C
These days, These days
(F C G Am F C)

G C
These days, these days
(F C G Am F C)

G C
These days, these days

F C
Cigarettes and the ash tray
G Am
Reminiscing on those past days
F C
I thought you didn't know my last name
G C
But that changed
F
And I travelled around the world
C
Think where you living at now?
G
I heard you moved to Oxford
Am
Got a new apartment and settled down
F C
And every once in a while

I start texting
G
Write a paragraph
C
But then I delete the message
F Am
Think 'bout you like a past time
G C
I could cry you a river

Get you baptised or
F Am
I wasn't ready to act right
G C
Used to always think I'd get you back, right
F Am
They say that things fall apart
G C
We were gonna move to Brooklyn

You were gonna study Art
F
Love is just a tool

To remind who we are
G
And that we are not alone

And we're walking in the dark

F C
I hope someday
G Am
We'll sit down together
F C
And laugh with each other
G C
About these days, these days
F C
All our troubles
G Am
We'll lay to rest

And we'll wish we could come back to
These days, These days

And we'll wish we could come back to
These days, These days
