

## **Rudimental - These Days**

```
Tom: C
                                              G
    I know you moved onto someone new
Hope life is beautiful
You were the life of me to find my truth
I just wanna say, thank you
Leaving to find my soul
Told her I had to go
And I know it ain't pretty
When two hearts get broke
Too young to feel this old
       G
Watching us both turn cold
And I know it ain't pretty
When two hearts get broke
Yeah, I know it ain't pretty
When two hearts get broke
  I hope someday
  We'll sit down together
  And laugh with each other
About these days, these days
  All our troubles
 Am
We'll lay to rest
F
And we'll wish we could come back to
These days, These days
(FCGAmFC)
These days, these days
(FCGAmFC)
These days, these days
Three years of ups and downs
Nothing to show for it now
And I know it ain't pretty when the fire burns out
Calling me when I'm drunk
Reminding me of what \underline{\mathbf{I}} 've done
And I know it ain't pretty when you're trying to move on
  I hope someday
  We'll sit down together
  And laugh with each other
About these days, these days
```

```
All our troubles
   We'll lay to rest
And we'll wish we could come back to
These days, These days
(FCGAmFC)
These days, these days
(FCGAmFC)
These days, these days
$\sf C$ Cigarettes and the ash tray {\sf G}
  Reminiscing on those past days
  I thought you didn't know my last name
But that changed
And I travelled around the world
Think where you living at now?
I heard you moved to Oxford
Got a new apartment and settled down
   And every once in a while
I start texting
Write a paragraph
But then I delete the message
   Think 'bout you like a past time
I could cry you a river
Get you baptised or
   I wasn't ready to act right
Used to always think I'd get you back, right
   They say that things fall apart
We were gonna move to Brooklyn
You were gonna study Art
Love is just a tool
To remind who we are
And that we are not alone
And we're walking in the dark
   I hope someday
   We'll sit down together
   And laugh with each other
About these days, these days
   All our troubles
   We'll lay to rest
```
