

# Rudy Mancuso - Magic (feat. Maia Mitchell)

Tom: F  
Intro: F Am

When I run from the blame, hide from the pain  
I feel it in my body  
When I just can't let go, fear starts to show  
I feel it in my body

Oh, I feel this magic  
And it's deep inside  
'Cause I believe in magic  
When I see your eyes  
You know that it's magic

'Cause I believe in magic  
When I'm numb from the game, tired of the blame  
I feel it in my body  
When I just can't say no, fear starts to show  
I feel it in my body  
Oh, I feel this magic  
And it's deep inside  
'Cause I believe in magic  
I see your eyes  
You know that it's magic  
'Cause I believe in magic
