

# Rudy Mancuso - Mama

Tom: B

m **Bm**  
 She said, I never want to leave you but I gotta go

And then she left me for a reason that I'll never know

But I don't mind

I'm feeling fine

**Gb Bm**  
 My mama told me all the things that I already know

**D Em**  
 Sometimes I feel it in my bones just like an animal

**Gbm D**  
 She's on my mind

**Em Gb**  
 I guess I'm not alright

**Em Bm**  
 I've been through this shit so many times

And I can't deny

**A D Gbm**  
 I'll give it one more try

**Em Bm**  
 I'm hoping things go differently this time

**G C**  
 'Cause she could be right

**Gb Bm**  
 She could be right

**B Em A**  
 Mama told me play it cool

But I can't help if I'm a fool

**Bm G Em A**  
 And in my mind there's only you

**Gbm Gb**  
 'Cause happy endings I can't choose

**Bm**  
 I guess I'll play it cool

**Bm**  
 She says you're going way too fast, you've gotta take it slow

**Em**

This love is like a plant, we gotta let it grow

**D Dbm Gbm**  
 And I said why? Sounds like a waste of time

**Bm**  
 I'm getting tired of tryna be what you want me to be

**D Em**  
 But mama told me I can't keep playing hide and seek

**Gb D**  
 She's on my mind

**Gbm**  
 I'm not gonna lie

**Em Bm**  
 I've been through this shit so many times

And I can't deny

**A D Gbm**  
 I'll give it one more try

**Em Bm**  
 I'm hoping things go differently this time

**G C**  
 'Cause she could be right

**Gb Bm**  
 She could be right

**B Em A**  
 Mama told me play it cool

But I can't help if I'm a fool

**Bm G Em A**  
 And in my mind there's only you

**Gbm Gb**  
 'Cause happy endings I can't choose

I guess I'll play it cool

**Em Bm**  
 I call the same old things so many times

**G**  
 Some things in life

**A D A**  
 You just can't rewind

**Em Bm**  
 Things don't seem to change although I try

And I know why

**Gb Bm**  
 And I know why

## Acordes
