

# Ruel - Distance

tom:  
 Dm  
 [Primeira Parte]  
 I heard you on the phone, I had you in mind  
 I've been on the run since you walked through the hallway  
 Heard it all before, I don't even mind  
 I'll do anything, pull me in and I'm far away

[Pré-Refrão]  
 You're right there  
 But I won't say that I'm standin', I'm right here  
 When I see you, I panic  
 So scared of the way it might pan out

[Refrão]  
 Well, I don't want to say that this was hard, it was  
 Tryin' not to stay, but that just made it worse  
 I've been keepin' my distance  
 I just wanna know what you're thinkin'  
 I just can't explain the way it hurts  
 Now that what we had is gone  
 I don't have the words  
 I'm so bad at playin' along  
 Savin' my feelings  
 I've been keepin' my distance

[Segunda Parte]  
 I talked about it last night, thought I was fine  
 Helped you pack your things, put your bags in the hallway  
 Mayb? in a past life, problems aside  
 W? could make it home, I'd hear you when you're callin'

[Pre-Chorus]  
 You're right there  
 But I won't say that I'm standin', I'm right here

When I see you, I panic  
 So scared of the way it might pan out

[Refrão]  
 Well, I don't want to say that this was hard, it was  
 Tryin' not to stay, but that just made it worse  
 I've been keepin' my distance  
 I just wanna know what you're thinkin'  
 I just can't explain the way it hurts  
 Now that what we had is gone  
 I don't have the words  
 I'm so bad at playin' along  
 Savin' my feelings  
 I've been keepin' my distance

[Ponte]  
 I've been feelin' so high on the way down  
 Hope I get another chance, 'cause I know I wouldn't  
 Wouldn't let you pass by, wouldn't even think twice  
 Let you out of my mind, I don't even know why  
 I've been feelin' so high on the way down  
 Said you treated me bad, 'cause you know I couldn't  
 Mmm, you know I couldn't

[Refrão]  
 I don't want to say that this was hard, it was  
 Tryin' not to stay, but that just made it worse  
 I've been keepin' my distance  
 I just wanna know what you're thinkin'  
 I just can't explain the way it hurts  
 Now that what we had is gone  
 I don't have the words  
 I'm so bad at playin' along  
 Savin' my feelings  
 I've been keepin' my distance
