G D Bm A
 I've been feeling like it's impossible to say it all
 Em D A
 And I'm losing all control

 But I've been holding it too close

G D
 Wish I knew what you're thinking
 Bm A
 Words don't come that easy
 Em D A
 We might be broken by design
 G D
 I can't help how I'm feeling

 Scared of my own reasons

 I don't wanna waste your time

G D Bm
 Searching for another way, another way, another way

 To keep her safe another day, another day, another day

 It's easier to run away, run away, run away

 But the world has got a different plan for me and you
