

Ruel - Unsaid

tom:
 Well I don't know where to start
 Cause now there's nothing left to say
 You put your hand on my heart
 And then you push me away
 Then you tell me everything is fine
 But you don't have anywhere to hide
 Look me in the eyes
 Cause I'm asking you
 [Refrão]

How we gonna act like nothing's wrong?
 I see that you've been crying
 But you never wanna talk about it
 All these words left unsaid
 Hanging over my head
 How you gonna hear me through the door?
 Can't you see I'm trying?
 But you always find a way around it
 All these words left unsaid
 Hanging over my head
 Over, over, over, over my head
 All these words left unsaid
