

# Ruel - Unsaid

tom:  
 Well I don't know where to start  
 Cause now there's nothing left to say  
 You put your hand on my heart  
 And then you push me away  
 Then you tell me everything is fine  
 But you don't have anywhere to hide  
 Look me in the eyes  
 Cause I'm asking you  
 [Refrão]

How we gonna act like nothing's wrong?  
 I see that you've been crying  
 But you never wanna talk about it  
 All these words left unsaid  
 Hanging over my head  
 How you gonna hear me through the door?  
 Can't you see I'm trying?  
 But you always find a way around it  
 All these words left unsaid  
 Hanging over my head  
 Over, over, over, over my head  
 All these words left unsaid
