

Ruelle - Monsters

Tom: A

m
Intro: Am F Dm
Am F Dm

You've got no place to hide
And I'm feeling like a villain
Got a hunger inside
One look in my eyes
and you're running cause
I'm coming gonna eat you alive
Ah ah ah oh

Your heart hits like a drum, Oh, oh oh
The chase has just begun, oh, oh, oh

Monsters stuck in your head
We are, we are, we are
Monsters under your bed
We are, we are, we are
We are Monsters oh, oh
We are, we are, we are
We are Monsters oh, oh
(Am F Dm)

One misstep, you're mine
And you better stay clever
If you wanna survive
Once you cross the line
You'll be wishing you would listen
When you meet your demise
Ah ah ah oh

Your heart hits like a drum, Oh, oh oh

The hunt has just begun, oh, oh, oh

Monsters stuck in your head
We are, we are, we are
Monsters under your bed
We are, we are, we are
We are Monsters oh, oh
We are, we are, we are
We are Monsters oh, oh

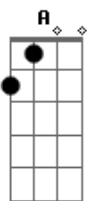

we never shoot to stun
We're kings of the kill
And we're out for blood
We'll take them one by one
We're kings of the kill
And we're out for blood

we never shoot to stun
We're kings of the kill
And we're out for blood
We'll take them one by one
We're kings of the kill
And we're out for blood

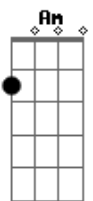

Monsters stuck in your head
We are, we are, we are
Monsters under your bed
We are, we are, we are
We are Monsters oh, oh
We are, we are, we are
We are Monsters oh, oh

Ah ah ah oh
Ah ah ah oh
