

Rufus Wainwright - One Man Guy

Tom: E

E
People will know when they see this show
A B7 E
The kind of a guy I am A
B7
They'll recognize just what I stand for and what I just can't stand
A B7
They'll perceive what I believe in
A B7
And what I know is true
E
And they'll recognize I'm a one man guy
A B7
Always was through and through

E
People meditate, Hey that's just great
A B7 E
Trying to find the inner you
E
People depend on family and friends
A B7
And other folks to pull them through
A B7
I don't know why I'm a one man guy
A B7
Or why I'm a one man show E A
B7
But these three cubic feet of bone and blood and meat are all
I love and know

E A
'Cause I'm a one man guy in the morning
E A
Same in the afternoon
E A
One man guy when the sun goes down
E A

I whistle me a one man tune
E A
One man guy a one man guy
E A
Only kind of guy to be
Gbm
I'm a one man guy, I'm a one man guy
B E A E
I'm a... one man guy is me

E
I'm gonna bathe and shave
A B7 E
And dress myself and eat solo every night
E
Unplug the phone, sleep alone
A B7
Stay way out of sight
A B7
Sure it's kind of lonely
A B7
Yeah it's sort of sick
E
Being your own one and only
A B7
Is a dirty selfish trick

E A
'Cause I'm a one man guy in the morning
E A
Same in the afternoon
E A
One man guy when the sun goes down
E A
I whistle me a one man tune
E A
One man guy a one man guy
E A
Only kind of guy to be
Gbm
I'm a one man guy, I'm a one man guy
B E A E
I'm a... one man guy is me
