

# Rufus Wainwright - One Man Guy

Tom: E

E  
People will know when they see this show  
A B7 E  
The kind of a guy I am  
E A  
B7  
They'll recognize just what I stand for and what I just can't stand  
A B7  
They'll perceive what I believe in  
A B7  
And what I know is true  
E  
And they'll recognize I'm a one man guy  
A B7  
Always was through and through

E  
People meditate, Hey that's just great  
A B7 E  
Trying to find the inner you  
E  
People depend on family and friends  
A B7  
And other folks to pull them through  
A B7  
I don't know why I'm a one man guy  
A B7  
Or why I'm a one man show  
E A  
B7  
But these three cubic feet of bone and blood and meat are all  
I love and know

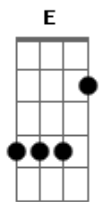

E A  
'Cause I'm a one man guy in the morning  
E A  
Same in the afternoon  
E A  
One man guy when the sun goes down  
E A

I whistle me a one man tune  
E A  
One man guy a one man guy  
E A  
Only kind of guy to be  
Gbm  
I'm a one man guy, I'm a one man guy  
B E A E  
I'm a... one man guy is me

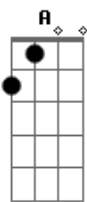

E  
I'm gonna bathe and shave  
A B7 E  
And dress myself and eat solo every night  
E  
Unplug the phone, sleep alone  
A B7  
Stay way out of sight  
A B7  
Sure it's kind of lonely  
A B7  
Yeah it's sort of sick  
E  
Being your own one and only  
A B7  
Is a dirty selfish trick

E A  
'Cause I'm a one man guy in the morning  
E A  
Same in the afternoon  
E A  
One man guy when the sun goes down  
E A  
I whistle me a one man tune  
E A  
One man guy a one man guy  
E A  
Only kind of guy to be  
Gbm  
I'm a one man guy, I'm a one man guy  
B E A E  
I'm a... one man guy is me
