                                                                         Bb
Cm
Breaking up, fading out
B
                                                                      Fm
          G
Holding on until tomorrow!
                                                                         Bb
Cm Ab
Shake it off, turn around
Won?t be long, till is a brand new day!
                                                             Cm Bm
 This is the beginning, the beginning!
This is the beginning of the rest of your life!
                                                             Cm Bm
                    Ab
This is the beginning, the beginning!
This is the beginning of the rest of your life!
                                                             Cm Bm
You better get it, get it (get, get)
           Bb
Get it, get it right, right
                                                             We defy space and time!
         Fm
You better get it, get it (get, get)
                                                             F Fm Ab Cm Bb

                                                             F Ab Cm Bb (x3)
Get it, get it right, right
        Fm
You better get it, get it (get, get)
           Bb
Get it, get it right, right
         Fm
You better get it, get it (get, get)
Cm Bb
Get it, get it right, right
           Bb
That was then, this is now
Here we go starting over!
You decide, change your mind
   Bm
```

Miracles happen every day!

Get it, get it right, right You better get it, get it (get, get) Get it, get it right, right

Change the world, change your mind We defy space and time! Change the world, change your mind We defy space and time! Change the world, change your mind We defy space and time! Change the world, change your mind

This is the beginning, the beginning! This is the beginning of the rest of your life! This is the beginning, the beginning! This is the beginning of the rest of your life! This is the beginning, the beginning! This is the beginning of the rest of your life!

This is the beginning, the beginning!

This is the beginning of the rest of your life!
