

Rupert Holmes - Escape (The Pina Colada Song)

tom:
F

I was tired of my lady
C7 F Am G F Bb7M
We'd been together too long
C Em Dm C
Like a worn out recording
C7 F Am G F Bb7M
Of a favorite song
C Em Dm C
So while she lay there sleeping
C7 F Am G F Bb7M
I read the paper in bed
C Em Dm C
And in the personal columns
C7 F Am G F Bb7M
There was this letter I read
C Em Dm C
If you like piña coladas
C7 F Am G F Bb7M
And getting caught in the rain
C Em Dm C
If you're not into yoga
C7 F Am G F Bb7M
If you have half a brain
C Em Dm C
If you like making love at midnight
C7 F Am G F Bb7M
In the dunes on the cape
C Em Dm C
Then I'm the love that you've looked for
C7 F Am G F Bb7M
Write to me and escape
C Em Dm C
I didn't think about my lady
C7 F Am G F Bb7M
I know that sounds kind of mean
C Em Dm C
But me and my old lady
C7 F Am G F Bb7M
Had fallen into the same old dull routine
C Em Dm C
So I wrote to the paper
C7 F Am G F Bb7M
Took out a personal ad
C Em Dm C
And though I'm nobody's poet
C7 F Am G F Bb7M

I thought it wasn't half bad
C7 F Am G F Bb7M
Yes, I like piña coladas
C Em Dm C
And getting caught in the rain
C7 F Am G F Bb7M
I'm not much into health food
C Em Dm C
I am into champagne
C7 F Am G F Bb7M
I've got to meet you by tomorrow noon
C Em Dm C
And cut through all this red tape
C7 F Am G F Bb7M
At a bar called O'Malley's
C Em Dm C
Where we'll plan our escape
C7 F Am G F Bb7M
So I waited with high hopes
C Em Dm C
And she walked in the place
C7 F Am G F Bb7M
I knew her smile in an instant
C Em Dm C
I knew the curve of her face
C7 F Am G F Bb7M
It was my own lovely lady
C Em Dm C
And she said: Oh, it's you
C7 F Am G F Bb7M
Then we laughed for a moment
C Em Dm C
And I said: I never knew
C7 F Am G F Bb7M
That you like piña coladas
C Em Dm C
And gettin' caught in the rain
C7 F Am G F Bb7M
And the feel of the ocean
C Em Dm C
And the taste of champagne
C7 F Am G F Bb7M
If you like making love at midnight
C Em Dm C
In the dunes on the cape
C7 F Am G F Bb7M
You're the lady I've looked for
C Em Dm C
Come with me and escape
