

## **Russ Taff - Let It Flow**

```
Tom: Db
                                                       Let it flow, let it flow

E A B A
Touch my heart, when I cannot feel you
                                                       Holy Spirit of God, make us worthy of your love
                                                       Let it flow, let it flow

E A B A
Touch my eyes, when I cannot see
              A B E
Fill my soul 'til my cup overflows
                                                       Holy Spirit of God, cover us
 Am
                                                        E A B A
With goodness and mercy
                                                       Cover us
Touch my ears when I will not hear you
                                                                          Ε
                                                       Oh fill us with your healing power
Change my mind when I won't believe
                                                       G A E
    A Gbm B E
                                                       Living water, wind and fire
Fill my soul 'til my cup overflows
                                                       Let it flow
As I kneel before your throne
                                                             Gbm
                                                       Let it flow, let it flow
Am E
Annoint my head with oil
                                                        ΕA
 Gbm
                                                       Holy Spirit of God, cover us
                                                             Gbm
Let it flow, let it flow
                                                       Let it flow, let it flow
                                                                             E A B A
                                                       Holy Spirit of God, make us worthy of your love
Holy Spirit of God, cover me
      Gbm
                                                             Gbm
                                                       Let it flow, let it flow
Let it flow, let it flow
 ΕA
                      E A B A
                                                                              E A B A
Holy Spirit of God, cover me
                                                       Holy Spirit of God, make us new
                                                            Gbm
(E A B A)
                                                       Let it flow, let it flow
                                                                               Е
                     \mathsf{Am}
                                                       Holy Spirit, we want to be closer, Lord, to you
Touch our hearts, when we cannot feel you
                A B
Touch our eyes, when we cannot see
                                                       Let it flow
                                                                    E A B A
               A B
Fill our souls 'til our lives overflow
                                                       cover me, cover us
                                                         Gbm
With goodness and mercy
                                                       Let it flow,
                                                        E A E
                  Am
                                                                    E A B A
Touch our ears when we will not hear you
                                                           Gbm
                                                       Holy Spirit,
E A E A B A
Change our minds when we won't believe
E A Gbm B E
                                                       Holy Spirit, let it flow
Teach us how to trust you, heal us now
As we kneel before your throne
                                                       Holy Spirit
                                                                   E A B A
Am E
                                                        ΕA
Annoint our heads with oil
                                                       closer to me, let it flow
                                                       E A E A B
We want to be closer, Lord, to you
Let it flow, let it flow
                                                        E
Holy Spirit of God, cover me
                                                       Please, cover us
```
