E7M Ebm7
Until you think you fly

Until you think you fly

We're buried in comparison of each other
E7M Ebm7 Dbm7 Ebm7
Our sisters, mothers, fathers and our brothers, yeah

Yeah, we get caught up, we rob ourselves
Dbm7 Ebm7

Yeah, we block us, we stop ourselves
E7M Ebm7

From being everything we could be
Dbm7 Ebm7

From being everything we should be

(let me let my hair down real quick, yeah)

This my bible of detachment, you should see verse two (yeah)
Dbm7 Ebm7
But for now, I think I'm too caught up in me versus you
E7M Ebm7
I think we all are, regardless of a post, a quote a vote
Dbm7
I think we all stars
Ebm7
Born to cross the line like we got false starts
E7M Ebm7
Songs are my way to really decompress
Dbm7 Ebm7
I hope you know that you're your greatest stock and reinvest
E7M Ebm7
I redirect attention to the ones who don't get mentioned
Dbm7 Ebm7
The angels who protecting and the gods who be directing, look up

When's the last time (yeah), you looked up at the sky? (yeah)
Dbm7 Ebm7
Between you and I

peeve, uh (hmm, hmm)

Dbm7 Ebm7
Open road you set free, you can catch speed

E7M Ebm7
Just so you can make it to the finish line (to the finish
line)

Dbm7

Ebm7
You done hit your final lap in the nick of time (in a nick of
time)

E7M

Ebm7
Pickin' through the good and bad, this shit so intertwined, uh

Dbm7

Ebm7
They got us forced to find ourselves, we gotta sit inside (oh,

Ebm7
If you take my picture, please just crop it on my better sides

(don't leave me minimized)

Dbm7 Ebm7
Don't want your pity, please don't sympathize

E7M Ebm7
'Cause you the one that's threatened, unprotected

E7M Ebm7
Scared you cut yourself, I know you sharp around the edges, uh

E7M Ebm7
After floods we heal, know that's a necessary blessing

Dbm7 Ebm7
If you look up at the clouds, the sky could form into a
message

That just led me to the question, when it

E7M Ebm7
When's the last time you looked up at the sky?

Dbm7 Ebm7
Between you and I

E7M Ebm7
