## [Primeira Parte]

C Em Am F  
I can't believe its been all these years  
C Em Am F  
I can't believe I've cried all these tears  
C Em  
My friends tell me I should've moved on  
Am F  
A long long time ago  
C Em  
But what do they know?  
Am F  
What do they know?

## [Refrão]

C Em  
And I don't mean to be selfish  
Am F  
But my heart breaks every time  
C Em Am F  
That I see you smile  
C Em  
'Cause I know that it's not me  
Am F C Em Am F  
Who brings it out of you anymore  
C  
You found somebody new  
Em  
You put me in the past  
Am F  
I don't even know if our memories will last  
C Em Am F  
But if by chance it doesn't work out with her  
C Em Am F  
You'll always have a chance with me in my world

## [Segunda Parte]

C Em Am F  
I wonder what happens when you hear our song  
C Em Am F  
Do you brush it away or do you sing along?  
C Em Am F  
Do you talk about the future the way we did?  
C Em  
Is there room for me in it?  
Am F  
Is there room for me in it?

C Em Am F  
Is it so wrong of me to hope she breaks your heart?  
C Em Am F

And I know that in the darkest part of you  
C Em Am F  
You pray and hope and wish for it too
