

Sá, Rodrix & Guarabyra - Crianças Perdidas

Tom: E

Hoje eu queria um encontro, numa pequena avenida
 Com as crianças perdidas que um dia deixamos de ser
 Hoje eu queria um instante num banco branco da praça
 Vendo no céu os desenhos das nuvens de um ano qualquer
 A Ab7 Dbm E A Ab7 Dbm

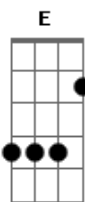

Hoje uma lua na laje do pátio, quase igual àquele dia
 Ia me dar uma grande alegria,
 Quase igual aquele dia.

Hoje eu queria a tranquilidade de uma cisterna esquecida
 Com as crianças perdidas e as nuvens de um ano qualquer,
 De um ano qualquer
