

Sabrina Carpenter - Bad Time

tom:
 C
 Bad time for a good time, baby F Am
 A bad time G
 You never finish your glass F Am
 Take a little sip and you're bored G
 Down in the apartment below F Am
 Wouldn't even open your door G
 You said: It's a bad time for a good time, baby F Am
 A bad time G
 Too many times I've asked myself F Am
 What did I come here for? G
 Now I know you wanna talk about it, talk about it, yeah F Am
 Suddenly you're into me again G
 Let's talk about it, talk about it, yeah F Am
 I've been dying to use the line G
 I'm sorry, but you've called at a bad time F Am
 And every time is probably gonna be a bad time G
 Sorry, but it's not like the last time F Am
 Where you were calling me and hoping for a good time G
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C F Am
 You should know about it, nah, nah, yeah G C
 Everything's so clear to me now F Am
 Wish I could have seen it before G
 You were sitting comfortable F
 And I was busy kissing your floor Am G
 Now I know you wanna talk about it, talk about it, yeah F Am
 Suddenly you're into me again G
 F Am

Let's talk about it, talk about it, yeah G
 I've been dying to use the line G
 I'm sorry, but you've called at a bad time F Am
 And every time is probably gonna be a bad time G
 Sorry, but it's not like the last time F Am
 Where you were calling me and hoping for a good time G
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C F Am
 You should know about it, nah, nah, yeah G C
 La la la, la la la la la, la la la la la, yeah, sorry F Am G C
 La la la, la la la la la, la la, la la la, yeah, sorry F Am G C
 Mm, no F Am G
 You know that it's a bad time for a good time, baby F Am
 A bad time G
 I'm just gonna say it one more time for fun C
 I'm sorry, but you've called at a bad time F Am
 And every time is probably gonna be a bad time G
 Sorry, but it's not like the last time F Am
 Where you were calling me and hoping for a good time G
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C
 Bad time for a good time, baby F Am
 A bad time G
 You should know about it by now C F Am
 You should know about it, nah, nah, yeah G C
