

# Sabrina Carpenter - Can't blame a girl for trying

Tom: C

Here I am again, the same old situation  
 Why does the guy think have to be so complicated?  
 I should've played it cool, instead I've made a fool  
 Oh, the things I do  
  
 'Cause I'm young and I'm dumb  
 I do stupid things when it comes to love  
 And even if I always end up crying  
 Well, you can't blame a girl for trying ohh ohh ohh ohh  
 No, you can't blame a girl for trying  
  
 I should've shut my mouth, I could've kept it quiet  
 I might have freaked him out 'cause I was so excited  
 But I just couldn't wait, I took a leap of faith  
 Oh, the things I say  
  
 'Cause I'm young and I'm dumb  
 I do stupid things when it comes to love  
 No, you can't blame a girl for trying

And even if I always end up crying  
 Well, you can't blame a girl for trying ohh ohh ohh ohh  
 No, you can't blame a girl for trying  
  
 And I think sometimes I tend to be my own worst enemy  
 And maybe someday I'm gonna catch a shooting star falling out  
 of the blue  
 Do what I do  
  
 And just as I'm giving up, my heart is palpitating  
 Here comes another one and I'm so intoxicated  
 Being where I've been I know that in the end  
 I'll do it all again  
  
 'Cause I'm young and I'm dumb  
 I do stupid things when it comes to love  
 And even if I always end up crying  
 Well, love will find me, there ain't no denying  
 That you can't blame a girl for trying  
 No, you can't blame a girl for trying
