

# Sabrina Carpenter - Good Luck, Babe!

tom:

[Primeira Parte]

It's fine, it's cool  
 You could say that we had nothing but  
 You know the truth  
 And guess I'm the fool  
 With her arms out like an angel  
 Through the car sunroof

[Pré-Refrão]

I don't wanna call it off  
 But you don't wanna call it love  
 You only wanna be the one that I call

Baby

[Refrão]

You could kiss a hundred boys in bars  
 Shoot another shot, try to stop the  
 Feeling  
 You can say it's just the way you are  
 Make a new excuse, another stupid  
 Reason  
 Good luck babe, well good luck babe  
 You'd have to stop the world just to  
 Stop the feeling  
 Good luck babe, well good luck babe  
 You'd have to stop the world just to  
 Stop the feeling

[Segunda Parte]

I'm cliché, "Who cares?"  
 It's a sexually explicit kind of love  
 Affair  
 And I cry, it's not fair  
 I just need a little lovin', I just  
 Need a little air

[Pré-Refrão]

Think I'm gonna call it off  
 Even if you call it love  
 I just wanna love someone who calls me  
 Baby

[Refrão]

You could kiss a hundred boys in bars  
 Shoot another shot, try to stop the  
 Feeling

You can say it's just the way you are  
 Make a new excuse, another stupid  
 Reason

Good luck babe, well good luck babe

You'd have to stop the world just to  
 Stop the feeling

Good luck babe, well good luck babe

You'd have to stop the world just to  
 Stop the feeling

[Intervalo] Bm A Bm

And when you wake up next to him in  
 The middle of the night

With your head in your hands, you're  
 Nothing more than his wife

And when you think about me all of  
 Those years ago

You're standing face to face with "I  
 Told you so"

You know I hate to say it, I told you  
 So

You know I hate to say it but, I told  
 You so

[Refrão]

You could kiss a hundred boys in bars  
 Shoot another shot, try to stop the  
 Feeling

You can say it's just the way you are  
 Make a new excuse, another stupid  
 Reason

Good luck babe, well good luck babe

You'd have to stop the world just to  
 Stop the feeling

Good luck babe, well good luck babe

You'd have to stop the world just to  
 Stop the feeling

[Final]
