

Sabrina Carpenter - Opposite

tom:

Intro: **F7M** **C**

[Primeira Parte]

Oh, so you do have a type, and it's not me
 Oh, so you can reply, just to not me
 If you wanted brown eyes, I could've got contacts
 So y'all are in Paris now, guess it's public
 Face like that other girl you're in love with
 You knew I would see that
 You knew I would notice
 [Refrão]

She looks nothing like me
 Can't really tell, should I be
 Tryna take it as a compliment?
 It's kinda feelin' like the opposite
 She looks nothing like me
 So why do you look so happy?
 Now I think I get the cause of it
 You were holdin' out to find the opposite
 And I know now
 Even if I try to change
 That somehow
 You'd end up with her anyway
 Oh, I know now
 Even if I try to change
 That somehow
 You'd end up with her anyway

[Segunda Parte]

Does she say nothin', so you feel good?
 Does she step out the spotlight, so you bathe in it?
 Does she get up on top of you, more than I would?
 Does she just love the picture 'cause you're paintin' it? (Mhm)
 I care but I don't, just wonderin' when you (When you)
 Said I'm beautiful, was I bein' lied to?
