

Sabrina Carpenter - Skin

tom:

Em

[Primeira Parte]

Maybe we could have been friends
 If I met you in another life
 Maybe then we could pretend
 There's no gravity in the words we write
 Maybe you didn't mean it
 Maybe "blonde" was the only rhyme
 The only rhyme

[Pré-Refrão]

Want my heart to be breakin', breakin', no
 I'm happy and you hate it, hate it, oh
 And I'm not asking you to let it go
 But you been tellin' your side
 So I'll be telling mine, oh

[Refrão]

You can try
 To get under my, under my, under my skin
 While h?'s on mine
 Yeah, all on my, all on my, all on my skin
 I wish you knew that ?ven you
 Can't get under my skin if I don't let you in

[Segunda Parte]

You're tellin' it how you see it
 Like truth is whatever you decide
 Some people will believe it
 And some will read in between the lines
 You're putting me in the spotlight
 But I've been under it all my life
 Said all my life

[Pré-Refrão]

Want my heart to be breakin', breakin', no
 I'm happy and you hate it, hate it, oh
 And I'm not asking you to let it go
 But you been tellin' your side
 So I'll be telling mine, mine

[Refrão]

You can try
 To get under my, under my, under my skin
 While h?'s on mine
 Yeah, all on my, all on my, all on my skin
 I wish you knew that ?ven you
 Can't get under my skin if I don't let you in, oh
 You can try
 To get under my, under my, under my skin
 While h?'s on mine
 Yeah, all on my, all on my, all on my skin
 I wish you knew that ?ven you
 Can't get under my skin if I don't let you in, oh

[Ponte]

I just hope that one day
 We both can laugh about it
 When it's not in our face
 Won't have to dance around it
 Don't drive yourself insane
 It won't always be this way

[Refrão]

You can try
 To get under my, under my, under my skin
 While h?'s on mine
 Yeah, all on my, all on my, all on my skin
 I wish you knew that ?ven you
 Can't get under my skin if I don't let you in
