

# Sabrina Carpenter - Sue Me

Tom: E

Remember when you said it, there's no second chance?  
 Oh, baby, I heard you been hoping you could change the past  
 You miss the long goodnights  
 You miss the long goodbyes, you miss the long goodnights  
 (Yep, yep, yep, yep, yep)

Well did you ever think that it was hard for me?  
 Do I get off like nothing happened, nonchalantly?  
 I got you feeling like, I got you feeling right  
 I got you feeling like  
 (Yep, yep, yep, yep, yep)

That's my shape, I made the shadow  
 That's my name, don't wear it out though  
 Feeling myself can't be illegal, illegal

So sue me for looking too pretty tonight  
 Wearing your favorite color under the lights  
 For moving on, doing everything right

So sue me for being good friends with your friends  
 And running into you the place that we met  
 For being something you can't forget  
 So sue me

It's hard to see me on when you've been off as hell

But I'm not gonna dull myself because you dull yourself  
 I know it's hard to see what you don't want to see,  
 I know it's hard to see  
 (Yep, yep, yep, yep, yep)

That's my shape, I made the shadow  
 That's my name, don't wear it out though  
 Feeling myself can't be illegal, illegal

So sue me for looking too pretty tonight  
 Wearing your favorite color under the lights  
 For moving on, doing everything right

So sue me for being good friends with your friends  
 And running into you the place that we met

For being something you can't forget  
 So sue me  
 I, I, I, I guess I'm hard to ignore  
 Pick up that jaw off the floor

So sue me for looking too pretty tonight  
 Wearing your favorite color under the lights  
 For moving on, doing everything right

So sue me for being good friends with your friends  
 And running into you the place that we met  
 For being something you can't forget  
 So sue me
