 Things I wish you said to me

"I saw you met somebody and I'm jealous as hell"
 That I can't even stomach lovin' somebody else"

 Things I wish you said to me

(D)

Ooh-oooh
 Ooh-oooh, ah

[Refrão]

I'm sorry that I pulled the "it's not you, it's me"
 One day, I'll make sure you get a real apology
 I waste my time, I waste my life on idiotic things
 Like things you never said
 Things you'll never say to me
