

Sabrina Carpenter - Tomorrow Starts Today

Tom: C

I'm standing on the edge
 And everything I know has blown away
 Life is upside down
 But anywhere it goes, I'll work it out
 Oh-oh-oh-oh-oh, here we go
 (One, two, three)
 I'm ready for tomorrow

Tomorrow starts today
 There ain't no map to follow
 But I'm with you all the way
 I'm ready for tomorrow
 Tomorrow starts today
 There ain't no map to follow
 But I'm with you all the way
 All the way
