

Sabrina Claudio - Tell Me

Tom: Eb

Cm Fm Gm
 Help me understand you love
 Help me go the way you want me to go
 'Cause I can't guess the things that you're thinking so
 Help me understand you love
 Tell me everything you want me to know
 'Cause I can't fix it 'til I know that it's broke
 Can you

Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then Tell me you won't
 Mmm baby
 Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then tell me you won't
 Can't take it
 Tell me what you want
 So I can understand your love
 Help me understand you love
 'Cause you're going 'bout this all the wrong way
 And I can't figure out what you wanna say
 Help me understand you love
 Everyday you've got a different excuse
 For why you can't just come and tell me the truth
 Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then Tell me you won't

Gm
 Mmm baby
 Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then tell me you won't
 Can't take it
 Tell me what you want
 So I can understand your love
 It's all out of my hands
 I don't understand
 'Cause I know you won't talk to me
 Know you won't talk to me
 I'm right here standing my ground
 But I'll walk out if you're never gon' talk to me
 Never gon' talk to me
 Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then Tell me you won't
 Mmm baby
 Tell me you, tell me you do
 Tell me you don't
 Tell me you will
 Then tell me you won't
 Can't take it
 Tell me what you want
 So I can understand your love
