

Saculejo - a gente quer junta tudo

tom: **A**

Mas Tua glória me atraiu **C7M**
 Tua presença me atraiu

[Refrão]

É que a sarça pegou fogo **Cadd9**
 E não se consumiu **D**

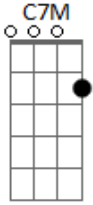

E a voz que saiu dela

Um dia me atraiu **Bm7**
 E o meu coração queimou

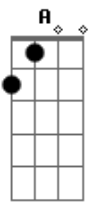

Até que descobriu **Em**
 Que um dia com Tua glória **D**
 Vale mais que mil

É que a sarça pegou fogo **Cadd9**
