

# Saculejo - hahahahaha

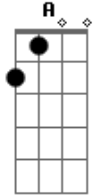

tom: [Refrão]

A

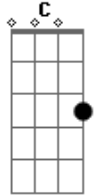

Ai que saudade de um beija-flor  
 Que me beijou depois voou  
 Pra longe demais  
 Pra longe de nós

Saudade de um beija-flor  
 Lembranças de um antigo amor  
 O dia amanheceu tão lindo  
 Eu durmo e acordo sorrindo  
 O dia amanheceu tão lindo  
 Eu durmo e acordo sorrindo
