jezebel wasn't born with a silver spoon in her mouth
 she probably had less than every one of us
 but when she knew how to walk she knew
 how to bring the house down
 can't blame her for her beauty
 she wins with her hands down
 (and so on and on, also during the saxophon solo)

jezebel, what a belle
 looks like a princess in her new dress
 how did you get that?
 do you really want to know she said
 it would seem she's on her way
 it's more, more than just a dream
 she put on her stockings and shoes
 had nothing to lose - she said it was worth it
 reach for the top
 and the sun is gonna shine
 every winter was a war she said
 i want to get what's mine
 jezebel, jezebel
 won't try to deny where she came from
 you can see it in her pride
 and the raven in her eyes
 try show her a better way
 she'll say you don't know what you've been missing
 and by the time she blinks you know she won't be listening
 reach for the top she said
 and the sun is gonna shine
 every winter was a war she said
 i want to get what's mine
