 He told me sweet lies of sweet loves  
**Cm** **Fm**  
 Heavy with the burden of the truth

 And he spoke of his dreams  
**Eb7M**  
 Broken by the burden  
**Fm**  
 Broken by the burden of his youth

 She saw him laying at the end of my gun"

## Acordes

**Ebm**  
 Hungry for life  
**Gm7** **Ebm** **Ab**  
 And thirsty for the distant river  
**Ebm**  
 I remember his hands  
**Gm7**  
 And the way the mountains looked  
**Ebm** **Ab**  
 The light shot diamonds from his eyes  
**Ebm**  
 Hungry for life  
**Gm7** **Ebm** **Ab**  
 And thirsty for the distant river

[Break/Solo 3]

**Cm** - **Fm** x6

[Outro]

**Ebm**  
 Like the scar of age  
**Gm7**  
 Written all over my face  
**Ebm** **Ab**  
 The war is still raging inside of me  
**Ebm**  
 I still feel the chill  
**Gm7**  
 As I reveal my shame to you  
**Ebm** **Ab**  
 I wear it like a tattoo  
**Ebm** **Ab**  
 I wear it like a tattoo  
**Ebm** **Ab**  
 I wear it like a tattoo
