Em G
Please don't try to lean on me
C B

It's a sham honey, I'm on wheels

Em G
Such a bad idea, depending on me
C B

No promises, no guarantees

Em G
I left you cornered
C

I left you broke

As I held your gaze

Em G
I checked for damage
C

It took me hours, it took me days

C G
And when all our battles are lost
Ab C G

We like to paint our names on the wall

Ab C G
When we wake up with the world on our backs

Ab C B
And we know that we're gone for sure

(Em G C B)
(Em G C B)

Em G
I told you twice
C

You heard me once

This ain't gonna last'
Em G

As we sat in silence

C B
Returned a smile to a hollow face

Em G
Seems like yesterday

C
You had private access

B
Now I'm not so sure

Em G
Hey, whirlwind reaper

C
Tried hard to please me

B
When I asked for more

C G
And when all our battles are lost
Ab C G

We like to paint our names on the wall

Ab C G
When we wake up with the world on our backs

Ab C B
And we know that we're gone for sure
