

Saia Rodada - Amor GG

tom:

Intro: Ebm B Abm Bb

Nada melhor que o tempo pra curar

As cicatrizes que você causou

Esperei tanto você mudar

Mas a minha esperança cansou

Quantas vezes eu me declarei

Maquiando o meu sofrimento

Mergulhei mas a cara quebrei

No seu coraçãozinho de cimento

O meu amor é GG

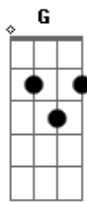

Mas já deu pra perceber

Não vale a pena chorar

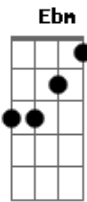

Nem muito menos sofrer

Pelo seu que é PP
