

# Sailor Moon - Moon Pride

tom:

**F**

**F**

Moon Pride

I will **Bb** become the wind that is **C** under your wings **F**

**Dm** Now as the tears wash away my sadness **Gm**

And in my eyes passion burns with fire **C** **F**

And with a force as strong as the lightning **Dm** **Gm**

My heart is asking me what is true love **C** **F** **A**

No matter where we are, (even if darkness falls) **Gm** **C**

We're never really alone (I'm with you now) **F** **Bb**

Here in the Moonlight **Em** **E** **A**

Ah-ah

**Dm** Even when I've lost my way **Bb**

I will always hold my head up proudly **C** **F** **A**

**Bb** I'll never want the prince on his horse to come and rescue me **F**

**Gm** We will always fight and stand on our own **A**

**Bb** Shiny Make-Up

**C** I'll be the one who shines in the sky **Bb** **C**

**F** **A** With all of the stars

**Bb** We are not those helpless girls anymore **C** **F**

**Bb** **C** **F** **A** That needed protection from all our fears

**G** So now Shiny Make-Up

**D** **G** **C** **D** I'll be the one to fight for us all

**G** **B7** Protecting the stars

**G** **D** **G** Now's the time a brand new legend begins

**C** **D** **G** **E** Foretold by the heavens from long ago

**F** **G** **A** **B7** La La Pretty Guardian Sailor Moon
