

Sailor Moon - Moon Pride

tom:
 F
 Moon Pride
 I will become the wind that is under your wings
 Dm Gm
 Now as the tears wash away my sadness
 C F
 And in my eyes passion burns with fire
 Dm Gm
 And with a force as strong as the lightning
 C F A
 My heart is asking me what is true love
 Gm C
 No matter where we are, (even if darkness falls)
 F Bb
 We're never really alone (I'm with you now)
 Em E A
 Here in the Moonlight
 Ah-ah
 Dm Bb
 Even when I've lost my way
 C F A
 I will always hold my head up proudly

Bb F
 I'll never want the prince on his horse to come and rescue me
 Gm A
 We will always fight and stand on our own
 Bb
 Shiny Make-Up
 C F Bb C
 I'll be the one who shines in the sky
 F A
 With all of the stars
 Bb C F
 We are not those helpless girls anymore
 Bb C F A
 That needed protection from all our fears
 G
 So now Shiny Make-Up
 D G C D
 I'll be the one to fight for us all
 G B7
 Protecting the stars
 G D G
 Now's the time a brand new legend begins
 C D G E
 Foretold by the heavens from long ago
 F G A B7
